Financial Reports were discussed

Old Business:

#1 The heating and Air conditioning upgrades are in and working and best of all paid for.

#2 New coffee maker for kitchen is in and working.

#3 The DMA Diocesan Ministries Appeal is set at \$9,597.38 but we still have \$4,311.38 left to pay on it.

#4 Diocesan Chancery Office Campaign goal is \$176,693.37. So far \$42,000 has been collected.

New Business:

#1 The roof of the church sprung a leak and it was found that the shingles that were previously installed were defective, so they will need to be replaced. The good news is we will receive a refund of part of the cost of the old shingles of \$4,427.50. The bad news is the cost of replacing the roof is about \$42,000.00

The meeting closed with a prayer.

Respectfully submitted by Rich Schluter, Secretary
